

Capitol Tours

A Full Service Motorcoach Tour Company

April 2, 2020

RE: COVID-19 Update

We are currently monitoring information both at the state and federal level to determine ongoing plans both in the short and long term in response to COVID-19.

In compliance with and support of orders given, we have cancelled our Travel Club tours offered through the end of April 2020. For ongoing essential transportation movements, we are limiting motorcoach seating to 50% of capacity to keep both our employees and passengers safe through social distancing. While we remain dedicated to serving our wonderful customers, we ask for everyone to remain safe and prevent the spread.

Effective immediately, we are changing our business practices and hours to limit our operation to essential personnel on a limited schedule. Our business hours will be from 10:00AM to 4:00PM Monday – Thursday. Our on-call voicemail will still be available and monitored 24/7 for any emergency needs.

We are looking forward to the opportunity to serve you and get your group back on the road!

Stay well,

Your Capitol Tours Team
