

# Columbia, SC

## STATE HOUSE

History, government and engineering come together in our state's capital. Explore the monuments and memorials on the grounds or tour the historic capitol building to be captivated by the stories of the past and witness history in the making.

## RIVERBANKS ZOO AND GARDENS

Take a walk on the wild side and explore science outside of the classroom while learning about the animals and plants.

*Capitol Tours*  
a full service motorcoach tour company

## CONGAREE NATIONAL PARK

Discover the history and science of this national park. Spanning nearly 27,000 acres, fish, birds, amphibians, reptiles, mammals and insects exist together in the largest old growth hardwood forest in the Southeast.

## SC STATE MUSEUM

Introduce your students to South Carolina history, art, technology and culture. Students are sure to find an interactive exhibit they can connect with.
