WASHINGTON, DC

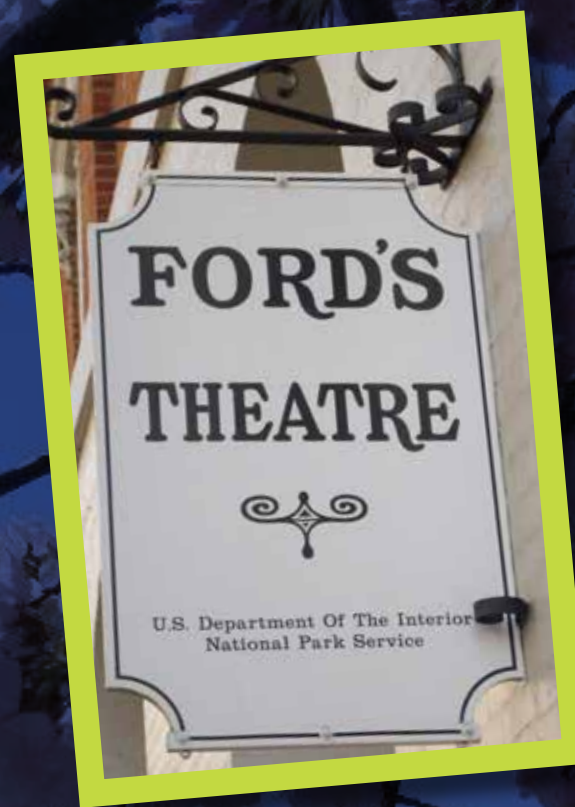

The White House

Many great Presidents have
lived and worked here.

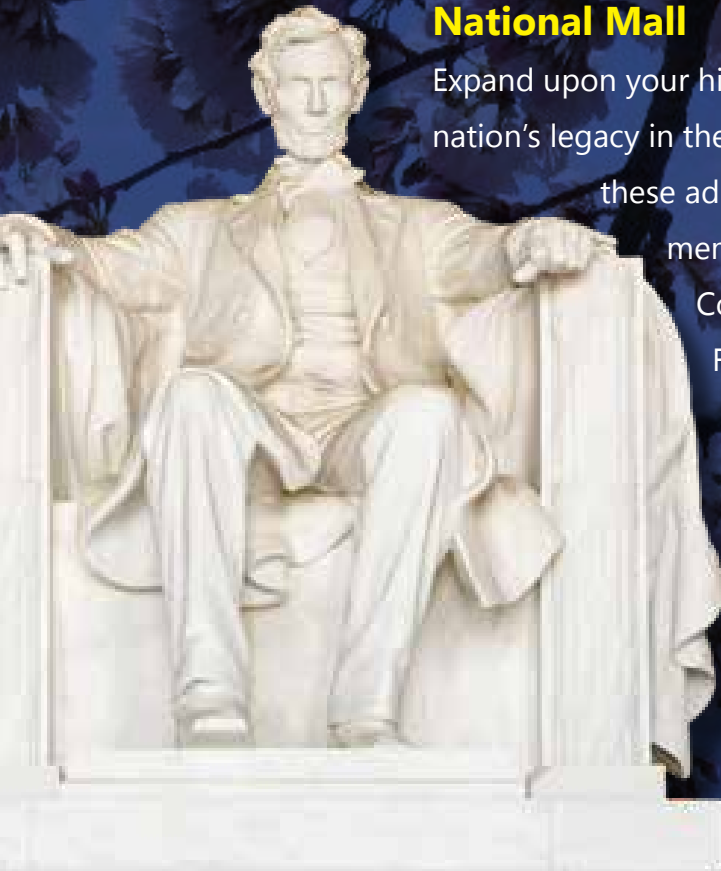

International Spy Museum

Immerse your students into multi-disciplinary world of secret operations and covert missions. Link history, mathematics and science as you explore the largest collection of espionage-related artifacts open to the public.

Ford's Theatre

President Abraham Lincoln played an important role in our nation's history during the Civil War. Tour Ford's Theatre and discover how he spent his last hours.

National Mall

Expand upon your history lessons and celebrate our nation's legacy in the heart of our nation's capital. Visit these admission-free monuments and memorials on the National Mall:

- Constitution Gardens
- Franklin Delano Roosevelt Memorial
- Korean War Veterans Memorial
- Lincoln Memorial
- Martin Luther King, Jr. Memorial
- Thomas Jefferson Memorial
- Vietnam Veterans Memorial
- Washington Monument
- World War II Memorial

Capitol Hill

Discover the center of democracy. Anchoring one end of the National Mall, Capitol Hill is where the laws of our nation are made and includes the House of Representatives, the US Senate, the Library of Congress and the Supreme Court.

Smithsonian Institutes

The Smithsonian Institutes are sure to have something to spark your interest:

- African American History and Culture Museum
- African Art Museum
- Air and Space Museum
- American Art Museum
- American History Museum
- American Indian Museum
- Arts and Industries Building
- National Zoo
- Natural History Museum
- Smithsonian Institution Building, The Castle
